Veterinarians Wanted

NEW - Veterinarian - Bellevue, KY

AcutePet Urgent Care

Vet-Owned. People-First. AcutePet Urgent Care is hiring DVMs to deliver emergency-level care in an urgent care setting with a pace and schedule designed to support both exceptional medicine and the well-being of the people delivering it. Not to mention, you'll be surrounded by an experienced support team, in a well-staffed environment. No overnights or major holidays. Ideal for ER vets seeking balance or GPs expanding scope. Competitive pay + production, no negative accrual, 100% company-paid health & dental premiums, and no contracts!

Let's schedule a confidential conversation.

Louisville, KY

Jefferson Animal Hospital Fern Creek

Privately Owned, AAHA accredited
Is seeking an experienced veterinarian for our ever-growing practice in Louisville, KY. You will be working hand in hand with our management team to improve and implement updated AAHA medical protocols, mentor new grads and technician staff and ensure the best medical care of our

patients. Surgical skills are a plus for routine procedures, dental cleanings and extractions. Flexible scheduling for shifts is available.

Come help us grow a collaborative culture where everyone works together to maintain the highest standard of veterinary care and every staff member contributes, is celebrated and is encouraged to grow. You will work with seasoned and knowledgeable Technicians and Managers that will partner with you and provide support and encouragement.

- Collaborate with seasoned staff to create an amazing practice
- Implement strategies to improve care for our patients
- Mentor and assist new grads and technicians to help them grow skills
- Work with management to grow the practice
- Make recommendations for new equipment and services
- Assist with creating and updating medical protocols

We have been serving the Louisville area since 1985. We follow Fear Free and Low Stress Handling guidelines. We work closely with our main campus, Jefferson Animal Hospital and Regional Emergency Center. They are open 24/7, 365 days per year to handle our emergency needs.

Currently, our hours of operation are Mon through Thursday 7a-6p, and Fridays 9a-6p and Saturdays 7a-6p. Work hours can be 8a-4p or 9a-5p any of those days except Fridays, which are 9a-4p. We are open to the schedule that works best for you!

No late nights or on-call.

Excellent team environment, full time on site Practice Manager and positive practice culture!

BENEFITS:

- Excellent full time benefit package including Medical, Life, disability, dental and vision
- 401K, traditional and Roth
- Paid vacation
- Continued Education package
- Paid professional fees including DEA, AVMA, KVMA, AAHA, PLIT
- 3-4 day workweek (full time)
- Positive work environment
- Full time or part time positions available

Additional Salary Information: Salary and Benefits negotiable depending on experience, specific skill set, number and type of shifts worked. Full time benefit packages can include Medical, Life, 401K, Paid Vacation and

Louisville, KY

Louisville Veterinary Urgent Care

Urgent care practice seeking qualified veterinarians for full- or part-time position. Enjoy a great quality of life while practicing gold standard medicine. Salary negotiable. Send resume to louisvilleveturgentcare@gmail.com (S25)

Monticello, KY

Twin Lakes Veterinary Services

Twin Lakes Veterinary Services is a small, but growing, mixed animal, privately owned practice in quaint Monticello, KY on beautiful Lake Cumberland looking for an associate veterinarian. Full-time is preferred, but part-time is negotiable.

Featuring a high staff-to-doctor ratio, AI-generated note taking capabilities, cloud based software, in-house labs, digital radiology (including a portable unit), large animal ultrasound with basic small animal capabilities and therapy laser, TLVS prides itself in providing top-quality medicine in a rural, underserved area. As a privately owned practice, doctors are free to practice medicine as they see fit.

Owned and managed by working moms (our manager has a crib in her office) and having several young mothers on staff, TLVS emphasizes work-life balance and actually practices putting family first. Starting with a four-day (8 a.m. to 5 p.m. with 30-minute lunch) work week with no scheduled

weekend hours. As a truly unicorn, tight-knit team, everyone at TLVS shares a special bond and friendship; but their own family is their priority.

Some on-call is required. (Additional pay provided to compensate after-hours emergencies.) Salary will be based off experience and pro-sal can be discussed. Benefits include: PTO, supplemental insurance, and retirement. Health insurance stipend can be discussed.

New grads welcome and mentorship will be provided. (If you are not successful, neither is our practice) Large animals not your thing? You are welcome to focus on small animal only. Have a particular piece of equipment you can't live without? Let's talk about it.

If high quality medicine, high quality work environment, and a high quality life is what you're looking for, come check us out. Please contact reception.tlvs@gmail.com or call 606-753-0361. (F24)

Henderson, KY

Henderson Veterinary Medical Center

Henderson Veterinary Medical Center is a two-doctor, privately owned, small animal general practice looking to add an associate veterinarian to the team. We are well established with a great local reputation, and under new ownership as of 2023. New graduates are welcome to apply; mentorship will happily be provided. Highlights of the job include a robust benefits package, family friendly owners, flexible scheduling based on associate's preferences, no after-hours/on call and great practice culture. Open to adding new services and equipment to the practice to meet the needs/interests of associates. Interested candidates can email Dr. Erin Wilborn at erinwilborndvm@gmail.com. (F24)

Prestonsburg, KY

Floyd County Vet Clinic

Flexible, part-time or full-time small animal in Prestonsburg KY, non-corporate. Must be able to work independently, will not be working alongside another DVM. We value our support staff and strive to hire skilled employees. Appointment based general practice with no after-hours emergency. Utilize IdexxNeo, Idexx in-house labs, digital Idexx radiographs, digital dental radiographs, Clarius hand-held ultrasound, Companion Animal therapy laser. Please contact floydcountyvetclinic@gmail.com (S25)

Morehead, KY

Morehead State University

The Veterinary Technology Program at Morehead State University is accepting applications for a full-time position as an Instructor, Veterinary Technology & Clinician (Small Animal – 9 month).

RESPONSIBILITIES: The Instructor/Clinician reports to the Department Chair for teaching and work assignments. The Instructor/Clinician interacts with students, faculty and other farm staff. The Instructor/Clinician provides lecture and lab instruction for Veterinary Technology courses (courses will be based on departmental needs) and performs a variety of tasks necessary for maintaining the Veterinary Technology program. The Instructor/Clinician's duties and responsibilities include teaching computer skills, supervisory skills in both lecture and laboratories/clinicals, and understanding and implementing safety regulations. Other duties include communicating with clients, pharmaceutical representatives, and prospective students.

REQUIREMENTS: Candidates should be credentialed Veterinary Technicians; graduates of an AVMA accredited veterinary technology program; plus, a minimum of 3 years' experience in veterinary clinical practice, including clinical cases, practice management and personnel management is required. The incumbent must be eligible for licensure in the Commonwealth of Kentucky. Significant small animal clinical and practice management is required. Excellent interpersonal and time management skills are necessary. Must be able to multi-task and possess strong critical thinking skills. Must have a sincere interest in undergraduate students and be able to work productively with the members of the faculty, the laboratory farm staff, and the veterinary industry. A master's degree with at least 18 graduate semester hours in a related field OR bachelor's degree with concentration in a related field and completion of a master's degree within a designated timeframe.

To apply, click [here](#).

Fisherville, KY

Elk Creek Animal Hospital

Welcome, new grads: Dynamic team seeks veterinarian near Louisville. Elk Creek Animal Hospital is looking for a full-time veterinarian to join our Fisherville location. We are a full-service, multi-doctor group of hospitals that provides quality veterinary care for dogs, cats and pocket pets out of three separate locations. Our doctors and experienced technicians enjoy practicing in facilities equipped with advanced diagnostic features, including digital X-rays, ultrasound,

laser surgery, in-house lab and orthopedic services. The caring and long-tenured support staff expertly assist our doctors throughout all appointments and surgery. We take great pride in our community connections, working with local organizations like the local animal shelters and various rescue organizations.

Ideal opportunity for experienced veterinarians, and we are happy to mentor and train the right new graduate. No on-call or emergency hours, along with our collaborative team with a wide range of experience and areas of interest, helps provide a healthy work/life balance. Fisherville is conveniently located close to the cultural bustle of downtown Louisville, KY, home to historic Churchill Downs. This welcoming community provides plenty of options to explore, such as shopping, restaurants, Taylorsville Lake and several outstanding golf courses. The newly opened Parklands of Floyds Fork offers premier walking and bike trails, fishing, kayaking and other outdoor recreation. Enjoy the small-town feel with all the amenities of city living. The emotional and physical well-being of our employees is important to us. We offer a competitive salary, medical benefits (including health, dental and vision), 401(k), employee assistance program (EAP), CE allowance, vacation, dues, liability coverage, mentorship and so much more. We would love to tell you more. Contact us at 502-477-1477 or submit resume to nsnyder@vetcor.com (S24)

Mount Vernon, KY

Mt. Vernon Animal Clinic

Mt. Vernon Animal Clinic (MVAC) is looking to increase our DVMs. We are a small, rural practice veterinarian office located in Mount Vernon, right off I-75, 20 miles south of Richmond, KY. MVAC is a mixed-animal practice, however you would not be responsible for any of mixed-animal work unless that is an area of interest for you. We are open 8 a.m. to 5 p.m. M/W/Th/F and till 7 p.m. on Tuesday, however our doctors' schedules are 10 a.m. to 5 p.m., with an hour lunch. Are you interested in coming early and leaving early? That can also be arranged. We generally run 30-minute appointments, with three to five surgeries daily. We do have lots of little extras to make your day better. No after hours and no on-call. Salary will be Pro-sal, base will depend on the days worked per week, with 20 percent commission. You set the amount of days you work. Benefits include PTO, health insurance and retirement contribution/student loan repayment. We are a fun work environment that is very client and family focused. Serious Inquiries, please email mtvernonanimalclinic@gmail.com or call 606-392-2030. (SP24)

Westside Veterinary Service seeks a licensed veterinarian for our AAHA-accredited, multi-doctor practice. Relocation assistance and sign-on bonus available. We are a small animal general practice and are proud to be part of Encore Vet Group. We have a full in-house Idexx laboratory, therapy laser, digital radiography, ultrasound and CT. We offer negotiable salary, generous benefits, health insurance and 401K+ company match. Contact us at 270-753-6749, chelsea.hendrick@westsidevet.com, or www.westsidevet.com

La Center, KY

Coffee Memorial Animal Clinic

Veterinarian wanted: Mostly small animal clinic in La Center, KY. Coffee Memorial Animal Clinic is a long-established practice in a great rural community just minutes from Paducah. Ballard County has wonderful outdoor adventures to offer, as well as great schools and churches. Current owner/operator is nearing retirement. Email Greg Rodgers at drgregrodgers@gmail.com

Florence, KY

My Pet's Vet

My Pet's Vet, a growing small group practice with six hospitals, is opening a new hospital in Florence, KY, and is looking for the right Chief of Staff doctor to join our team.

My Pet's Vet offers all the characteristics of a modern practice including:

- Full in-house lab suite, digital X-ray, cloud-based electronic medical records, ultrasound, cold laser, digital dental X-ray, high-speed dental, a fully equipped modern surgery suite and isolation rooms
- Our robust wellness plans promote a lifetime of health for our patients and increased client compliance for a greater opportunity to develop the doctor-client relationship
- Brand-new, modern, well-designed facility that is warm and inviting to pets and clients

Perfect opportunity for an experienced veterinarian with surgical skills as well as a desire to lead and mentor their own team as our Chief of Staff. Our doctor-centric culture gives our doctors great autonomy to practice medicine as their experience would lead them, while being supported administratively by our central office team. As part of a group practice, you will also have the support and comradery of your fellow Chiefs of Staff as well as our Chief Medical Officer (career owner of 13 animal hospitals), our Medical Officer (located in Columbus), and our Field

Medical Director who is a Diplomat of the American Board of Veterinary Practitioners and a Certified Practice Manager.

As a small group practice, we are flexible in meeting the needs of our doctors and can customize a compensation plan that values your contribution because, after all, you're worth it! Let's talk about your needs and wants so we can structure an offer that works for you: Click here to hear from our doctors and team members about their experience being part of My Pet's Vet. But don't just take our word for what a great practice we have! See what others are saying about us by visiting our website and check out our Facebook and Google reviews. To learn more about our practice and this position, click here.

Our new client growth confirms we are doing the right things the right way. Do you have what it takes to be part of our team? Email/call Scott Oppat: scottoppat@mypetsvetgroup.com, 503-330-4639. (W24)

Somerset, KY

Lake Cumberland Animal Hospital

Lake Cumberland Animal Hospital is searching for a veterinarian to join our team. This is a great opportunity for

someone looking for a healthy balance between providing high-quality veterinary care and enjoying a high quality of life for themselves and their family. Someone who enjoys building relationships with pet owners as much as providing veterinary care to their pets. We have a progressive hospital environment that encourages sharing ideas and perspectives on the practice of veterinary medicine; we're able to adapt and stay current with the fast-changing field. We are a fully equipped, companion animal hospital (in-house UA/CBC/Chemistry, digital X-ray, ultrasound, therapy laser) in the thriving small town community of Somerset, KY. A four-day work week with rotating on call (our clients only). We offer a nice compensation package and starting salary commensurate with experience. The Pulaski County Somerset area is a hidden gem. The cost of living is low, yet the level of services is surprisingly high. The area abounds with recreational opportunities. Please send resume to 2vets@windstream.net or call 606-383-1803. (SP23)

Glasgow, KY

Mixed animal practice is located in beautiful south-central Kentucky! Seeking associate veterinarian. Position can be tailored to fit interest and skill set (can do mixed animal or small animal only). Any experience level is welcome, and we are willing to mentor new graduates. Salary will be negotiable based on experience. Our practice is long established and has a large, loyal client base.

This is a great deal for someone who is ready to hit the ground running with a very successful practice. You will have the opportunity to treat all animals great and small, and be a leader and asset to a wonderful community. Email/call Dr. Steve Webb at sdw@glasgow-ky.com, 270-646-8277. We look forward to hearing from you.

If you would like to place a classified ad for a veterinarian and would like your name/clinic listed, please contact the KVMA at 502-552-5862 or e-mail info@kvma.org. Please keep your ad to 50 words or less.
